EDUCATION

- **Sinhagad Academy of Engineering** Pune, India
Bachelor of Engineering in Mechanical Engineering; GPA: 7.75/10.0 Aug. 2016 – Jul. 2019
- **K. K. Wagh Institue** Nashik, India
Diploma in Mechanical Engineering; Percentage: 79% 2013 – 2016
- **Podar International School** Nashik, India
ICSE; Percentage: 89% 2008 – 2013

EXPERIENCE

- **Wipro Ltd.** Pune, India
Project Engineer Oct. 2019 - Present
- **Client: Johnson and Johnson** Feb 2020 - Present
ABAP and HANA Developer
 - **oData Services:** Regular enhancements and patches to pre-existing oData V2 services for Access Control request creation, approval and status and mitigation control application in SAP GRC.
 - **GRC Database Migration:** GRC Platform migrated from Oracle database to HANA databse.
 - **GRC 10.1 to GRC 12.0 Upgrade:** Participated in one complete E2E implementation, hypercare and support cycle during major version upgrade.
 - **User Transfer Application:** This application transfers the ownership of all the master data objects from one user to another. Complete backend development including business logic using Object Oriented ABAP, Unit testing for business logic and oData services.
 - **User to Role Report and Mitigation Control Report:** Converted slow ABAP reports that processed large volumes of data to Stored Procedures and Calculaton Views by creating a HANA XSA application, to increase report execution speed. Also, created the front-end UI using Fiori Elements.
 - **Miscellaneous:**
 - * Wrote python scripts to translate i18n files from English to 22 other languages.
 - * Wrote python scripts for manipulating large datasets using pandas and numpy.

- **Magna Automotive** Pune, India
Intern in Industrial Engineering Oct. 2018 – Mar. 2019

AWARDS

- **Best Campus to Corporate New Joinee** Oct 2020
Wipro Compliance and Risk Services Business Unit
 - : One of Top 25 performing new joinees
- **Top Performing New Joinee** Dec 2020
Johnson & Johnson Client Account
 - : One of Top 4 performing new joinees

TALKS AND WORKSHOPS

- **Workshop on LaTeX: Article, Reports and Slides** Nashik, India
K. K. Wagh Institute of Engineering Dec. 2019
- **Talk on Container Internals: cgroups and podman** Pune, India
Kernel Meetup Dec. 2019
- **Talk on Unix Command Line Utilties** Pune, India
Pune Linux Users Group Jul. 2019

PROGRAMMING SKILLS

- **Languages:** ABAP, Python, SQL, SQLScript, Bash Scripting, LaTeX
- **Markup Languages:** HTML and CSS, Markdown
- **Technologies:** HANA XSA, SAP GRC, Unix (RHEL and Debian), AWS, Docker, Git
